## Helping Kids Grasp Life by the Handlebars

Boys & Girls Clubs of St. Joseph County is planning a new bicycle program to teach kids how to maintain and safely operate a bike, followed by the opportunity to train for and compete in a bike rodeo.

### Needed: bikes, helmets, bike locks — and volunteers!

We need children's bikes (for ages 5 – 18), any style; bike helmets, bike locks.  
All items must be in good condition and will be evaluated to ensure safety.

Change a life — join us as a volunteer to assist with donations or to work with the kids.

To donate items, volunteer, or for more information, please contact:
